Carbery Concept

Creamy Tomato & Basil Pasta Sauce

This creamy pasta sauce is developed using Carbelac® Whey Protein Concentrate, enabling 50% cream reduction. It delivers a rich, creamy texture and indulgent mouthfeel, allowing manufacturers to create healthier sauces without compromising on taste or eating quality.

APPLICATION HIGHLIGHTS

+ Carbelac whey protein concentrate enables a 50% reduction in cream content while maintaining the rich, creamy mouthfeel consumers expect from a premium pasta sauce.
+ By adding Carbelac, the sauce delivers more protein and lower saturated fat, helping create a more nutritious option without compromising indulgence.
+ Carbelac provides functionality and flavour enhancement, supporting a smooth texture and full, creamy taste with less cream in the recipe.
