Carbery Concept

Lemon & White Chocolate Pudding

This lemon and white chocolate flavoured pudding is a high-protein dessert delivering 23g of protein per serving. Formulated with Carbelac® Whey Protein Concentrate, it provides a smooth texture and indulgent creamy mouthfeel.

APPLICATION HIGHLIGHTS

+ Carbelac whey protein concentrate helps create a smooth, creamy texture, delivering an indulgent pudding experience while supporting high protein content.
+ Carbelac combines protein and functionality, helping the pudding set well and providing a rich mouthfeel without compromising on taste or texture.
+ A cost-effective protein solution, Carbelac enables the development of indulgent, high-protein desserts that meet consumer demand for both nutrition and enjoyment.
