Carbery Concept

Protein Powder for Performance

Optipep® Ready-to-Mix Beverage is a sports nutrition drink formulated with Optipep® Hydrolysed Whey Protein, a lightly hydrolysed whey protein isolate. Offering a smooth, low-bitterness taste profile, it is ideal for performance, recovery, and enhanced nutritional applications.

APPLICATION HIGHLIGHTS

+ Powered by Optipep hydrolysed whey protein, delivering the benefits of whey in fast-absorbing peptide form for premium performance nutrition applications.
+ Designed for superior drinkability, Optipep combines enhanced digestibility with low bitterness, creating smooth, great-tasting high-protein beverages consumers can enjoy every day.
+ Formulated to support performance and everyday active nutrition needs.
