Carbery Concept

Egg-free Ranch Dressing

This ready to consume ranch sauce is an egg-free chilled product. Developed using Carbelac® Whey Protein Concentrate which naturally has emulsification properties, it provides an egg-free alternative to the classic sauce, enhancing the protein level while providing great taste, body and a creamy mouthfeel.

APPLICATION HIGHLIGHTS

+ Carbelac whey protein concentrate naturally provides emulsification properties, enabling an egg-free ranch sauce while maintaining the creamy texture consumers expect.
+ The addition of Carbelac increases protein content while delivering great taste, body and a rich, creamy mouthfeel.
+ Carbelac helps simplify formulation, offering a versatile alternative to egg-based systems in dips, dressings and spreads.
